PLASTIK-TECHNIK

## SAVE THE DATE

# WE WILL BE THERE - JOIN US!

Heinlein Plastik-Technik is a manufacturer of closures, dosing systems and application aids. The products are used worldwide for a variety of solutions in the pharmaceutical and medical industry, for lifestyle products as well as in the food industry and in the segment of supplements.

Visit us at the upcoming shows and learn more about our full packaging solutions, our new product Flipdropper®, CBD packaging offers as well as products made of alternative biomaterial.
